19th March 2025

## Personal details

Name: Sreekar Reddy Edulapalli

Email: sreekarreddy.edulapalli@student.uts.edu.au

## Volunteering opportunity

The Airport desk program is an initiative to connect, engage, and mobilise both initially arriving and returning international students. We are an aggregator who facilitates support through teamwork, communication, customer service and problem solving. Positioning ourselves as the one stop shop and first point of contact for inbound international students, we ensure each student feels safe, secure and is equipped with the right information and facilities to begin their journey in Australia.
